ASIAN ASIA DUCK

Being one of the most popular of the Chinese dishes, Asian Asia's Duck is cooked in our special Chinese marinade over the course of a day, then deep fried to golden perfection by our Chinese Chef when ready to be served. Our Asian Asia Duck is accompanied by original Chinese noodles. No need to travel to China to experience delicious, traditional Chinese dish!

BBQ RIBS

If Sushi or Chinese food is not to your taste, then why not try our BBQ Ribs? Our ribs meal has been prepared by our chef and based on a more Westernised recipe, with a bit of a chinese twist by adding crisp veggies and sauces to enhance the flavours of the dish. Served with a side of fries.

SWEET & SOUR CHICKEN OR PORK

The staple of all Chinese Restaurants! However, prepared the Traditional, healthier and tastier Chinese way. Only Asian Asia's Sweet & Sour Pork or Chicken is stir fried instead of the usual deep fried method, making this a delightful and guilt free option.

#sake

SAKE is an alcoholic beverage of Japanese origin that is made from fermented rice. Sake is sometimes referred to in English-speaking countries as "rice wine". However, unlike wine, in which alcohol (ethanol) is produced by fermenting sugar that is naturally present in grapes, sake is produced by a brewing process more like that of beer.

In Japan, where it is the national beverage, sake is often served with special ceremony- gently warmed in a small earthenware or porcelain bottle called a tokkuri, and sipped from a small porcelain cup called a sakazuki.
