## CBC PILSNER <sup>44</sup>

Carefully selected hops imparts a strong, hoppy aroma with a nice bitter finish.

## CBC CRYSTAL WEISS <sup>48</sup>

Aromatic twist of lemon & grapefruit flavours, slightly more bitter than Amber with a dry finish.

## DUVEL <sup>59</sup>

Duvel is a natural beer with a subtle bitterness, a refined flavour and a distinctive hop character. The unique brewing process, which takes about 90 days, guarantees a pure character, delicate effervescence and a pleasant sweet taste of alcohol.

## VADETT EXTRA WHITE <sup>51</sup>

Citrus is the main note, with some coriander in the background. The taste is mild, slightly sour and slightly grainy, which provides for the desired full-mouth feel.

## FIERY DRAGON APPLE <sup>48</sup>

Dragon Brewing Co's Fiery Ginger Beer stands out in an ocean of craft beer, because it's not a craft beer in the sense of barley and hops. It is, however, a traditionally brewed, craft beverage and it packs a serious gingery punch. Sweetness of the apple is tempered by the tang of the ginger, creating a very moreish balance. In essence, it's an alcoholic ginger beer, and we like it. A lot.

## BRANNAS DRAUGHT

Brannas Draught is manufactured in Stellenbosch, using KWV three-year and Branna's specially crafted cola. The product is poured through a tap at 2C, over ice, as a:

## INNIS & GUNN OAK IPA 56

Its fervent hoppy character hails from the unique addition of large quantities of hops at three separate points during brewing, delicate floral notes and oodles of zesty freshness.

## INNIS AND GUNN WHITE OAK WOOD 56

Inspired by the aromas and flavours more typically found in a cup of earl grey, this German-style wheat beer has been brewed at a warmer temperature to encourage sweeter, spicier flavours to develop. The brew has been aged over oak and then infused with dried bergamot and blood orange oil to create a fragrant and refreshing finish.
